

# KRT Luminaire Series

**NEW!** Portable Lighting for Modular Buildings Kills Bacteria Safely & Continuously

KRT5

KRT8

## KRT Series

- Delivered lumen range: 5,393 lm – 10,545 lm
- Input power: 61W – 121W
- Efficacy: 87 – 89 lm/W
- Portable fixture design for optimal field flexibility
- Aluminum housing prevents rust
- Smooth lens for wipe-down cleanability
- Independently lab-tested and proven to kill staph\* such as MRSA\*\*

Nominal size: 5" or 8" x 4"  
 Installation type: External mounting bracket  
 Lamp type: LED

## Reduce the spread of harmful bacteria in modular buildings with the new KRT Luminaire Series by Kenall

This rugged lighting family provides generous ambient light and uses Indigo-Clean Technology® to safely and continuously kill harmful bacteria, bolstering existing cleaning and infection prevention protocols.

The KRT Series mounts quickly and easily using exterior mounting brackets. A 10-foot cord and plug accommodates tie wrap and chain installation, or the fixture can be hard-wired for daisy chain configurations. It is available as a **Fast Track** item – meaning it *ships from our facility in just 5 business days from the time of order.*

For challenging applications – and challenging times—demand Kenall, using the power of Indigo-Clean Technology.
