## Safe, Whole Room Disinfection Option for Healthcare Settings

### Designed with Budgets in Mind

Healthcare environments are breeding grounds for viruses, including those that cause COVID-19 and the seasonal flu. Indigo-Clean is a light fixture that safely and automatically disinfects; continuously protecting patients and staff. *Protect patients and staff—SAFELY—with the power of Indigo-Clean.*

### Indigo-Clean option:

- Certified safe per IEC62471; the ONLY lighting standard that assesses risk to human health
- Uses safe, 405nm light
- Continuously disinfects between routine cleanings
- Clinically proven to kill 94% of SARS-CoV-2 and Influenza-A, and 88% of Staph, including MRSA

### Optional Whole Room Disinfection
