

# MightyMac™ WCHS Series

New Wall-Mount Lighting Is Virtually Impenetrable, Maintenance-Free for Life

Kenall's new Mighty Mac™ WCHS wall-mounted correctional light fixture joins the WCUS, SSAS and CCS series of as part of a family of virtually impenetrable luminaires. These unique door-free luminaires are impervious to vandalism and contraband concealment, adding an extra layer of security that keeps your staff and inmates safe.

This downlight-only design is intended to be permanently mounted on either concrete and steel surfaces, and has a large, heavy-gauge flange to provide secure attachment. The WCUS series is designed for any security level facility, up to and including Supermax.
